Re: Dismiss request for FCC ID: **Q6G-AP332CR**; Granted on **08/17/2022**

To Whom It May Concern:

We regret to inform you that due to some unforeseen changes to the product, we would like the FCC to dismiss this application so that we may re-submit an updated equipment authorization application under the same FCC ID at a later date. We hereby declare that no product bearing the FCC ID: Q6G-AP332CR has been marketed or sold in the United States as well as anywhere in the world. Thank you and we appreciate your help!

If you have any questions, feel free to contact us. Thank you.

Sincerely yours,

Jay Lindenauer, Vice President of Product Delivery Operations
