Modular Approval Request Letter

Dear Application Examiner,

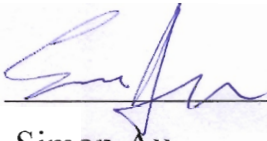

Chung Nam Electronics Co., LTD., It's Wireless 802.11b/g USB card, FCC ID: Q72WLANTUBG, would like to have your authorization as a full modular approval. The requirements of Public Notice DA 00-1407 have been met and shown on the following statements.

1. "The modular transmitter must have its own RF shielding." The radio portion of this module has been shielded, please see exhibition internal photo.
2. "The modular transmitter must have buffered modulation/data inputs." The EUT has buffered data inputs, it is integrated in chip ZD1211B-QF.
3. "The modular transmitter must have its own power supply regulation." The USB interface provides 5VDC, the on board power IC XC9226 converts and regulates 5VDC to 3.3VDC.
4. "The modular transmitter must comply with the antenna requirements of Section 15.203 and 15.204(c)." The EUT meets the FCC antenna requirements. The antenna and photo is shown in the test report.
5. "The modular transmitter must be tested in a stand-alone configuration." The EUT was tested in a stand-alone configuration via a USB interface. Please see the photo in the test report, the EUT was plugged in USB interface.
6. "The modular transmitter must be labeled with its own FCC ID number." Please see exhibition Label Sample for the FCC ID of this module. And also in the exhibition Users Manual, there are instructions give to the OEM on how to label the end product.
7. "The modular transmitter must comply with any specific rule or operating requirements applicable to the transmitter and the manufacturer must provide adequate instructions along with the module to explain any such

- requirements.” The EUT is compliant with all applicable FCC rules. Detail instructions for maintaining compliance are given in the Users Manual.
8. “The modular transmitter must comply with any applicable RF exposure requirements.” The EUT is compliant with all applicable RF exposure requirements. RF Exposure is addressed in the RF exposure exhibition.

Please contact me if you have any further questions, thanks for your attention.

Best Regards

Simon Au
