Modular Approval Request Letter

Dear Application Examiner,

Chung Nam Electronics Co., LTD. wireless 802.11b/g USB Card, FCC ID: Q72WLANTUBGR, would like to have your authorization as a full modular approval. The requirement of Public Notice DA 00-1407 have been met and shown on the following statements.

1. "The module has its own RF shielding." Shield Can is employed on the board structure, please see exhibition External Photo.
2. "The modular transmitter must have buffered modulation/data inputs."
The EUT has buffered data inputs, it is integrated in chip RT2571W.
"The module has its own power supply regulation." The USB interface provide 5VDC, 5VDC is converted and regulated to 3.3VDC by IC AME8805.
3. "The modular transmitter must comply with the antenna requirement of Section 15.203 and 15.204(c)." the EUT meets the FCC antenna requirements. The antenna and photo is shown in the test report.
4. "The modular transmitter must be tested in a stand-alone configuration."
The EUT was tested in stand-alone configuration via a USB interface.
Please see the photo in the test report, the EUT was plugged in USB interface.
6. "The modular transmitter must be labeled with its own FCC ID number."
Please see exhibition Label sample for the FCC ID of this module. And also in the exhibition User Manual, there are instructions give to the OEM on how to label the end product.
7. "The modular transmitter must comply with any specific rule or operating requirement applicable to the transmitter and the manufacturer must provide

adequate instruction along with the module to explain any such requirement.”

The EUT is compliant with all applicable FCC rules. Detail instructions to OEM user for maintaining compliance are provided in the User Manual.

8. “The modular transmitter must comply with any applicable RF exposure requirement. The EUT is compliant with all applicable RF exposure requirements. RF Exposure is addressed in the RF exposure exhibit.

Please contact me if you have any further questions. Thanks for your attention.

Best Regards,

Simon Au
