

# Request Letter for Supersede of Exhibits

Dated : October 6, 2008

FEDERAL COMMUNICATIONS COMMISSION  
Authorization and Evaluation Division  
7435 Oaklاند Mills Road  
Columbia, MD 21046  
U.S.A.

Dear Sir,

We just have Q72WLC312NRM granted, but unfortunately the SAR report exhibit uploaded was the un-revised one, we made the mistake on the uploading. We may need your help to remove this exhibit from the database. Thank you for your help.

If there are any questions, please contact me via the e-mail:

Alan.Lane@phoenix-testlab.de

Sincerely yours,

A handwritten signature in blue ink, appearing to read 'Alan Lane', with a long horizontal flourish extending to the right.

Alan Lane Phoenix Test Lab, Germany
