To whom it may concern.

The letter grants authorization for representatives of ZTE Corporation to apply the FCC for a change in identification as specified under part 15 of the FCC rules. This authorization applies to Senao International Co Ltd, SL-2511BG PLUS, FCC ID NI3-2511BGPLUS, granted on 09/04/2002. The equipment is electrically identical the only change being the labels on the device. The original test results continue to be representative of and applicable to the changed equipment.
