Re: Request to withhold portions of certification application from public view per
FCC Rule Part: 0.459

Applicant: Afar Communications Inc.

FCC ID:Q7N-24027

Dear Mike,

On behalf of my client Afar Communications Inc., I request the following documents be
withheld from public view:

Schematics
Block diagram
Theory of operation

Afar has invested considerable resources in the design and execution of this product and
as such, other manufacturers would be afforded an unfair competitive advantage were the
referenced documents to be made easily available.

If you have questions or need further information, please contact the undersigned.

Sincerely,

THOMAS N COKENIAS
Agent for Afar Communications Inc.
