Declaration

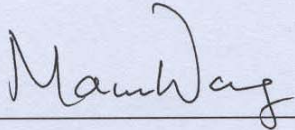

Date: August 19, 2011

To whom it may concern,

The FCC qualified radio module (FCC ID: **WH7A8000**) is plugged in the our host product (model: **GT-1800 series**). It makes the host product with same configurations in the radio feature. The only one change is antenna between radio module and host so that conducted radio test item is re-used from the original module data and re-test ERP/ERIP/RSE for the host again only.

Sincerely yours,
