**RE: CONFIDENTIALITY REQUEST FOR nanoCell/Model # 190NAN4HI0001000 AND FCC
ID#: Q821904HI0001000 and IC#: 4646A194HI010**

To Whom It May Concern:

This letter serves as an official request for confidentiality under FCC Rule Section 0.459. We have requested that the schematic diagrams, Product Description Document, Block Diagrams, nanoCell parts list and dc power budgets required to be submitted with this application be withheld from public review.

Since the nanoCell is a revolutionary new product operating in the networks of the wireless cellular industry all documents are company proprietary and cannot get into the possession of our competition.

Please contact me if there is any information you may need.

Sincerely,

Laurence S. D'Agati
Vice President of Engineering
Telephonics Wireless Corporation
