Re: Supersede request for FCC ID: **Q87-RE1000V2**; Granted on **01/23/2013**

To Whom It May Concern:

We regret to inform you that due to **Modified FCC website information : Add version 2 in the FCC website**, we have submitted the wrong test report exhibit to the filing.

To prevent misunderstanding to the public, we would like to request the FCC to supersede the exhibit described as test report.

If you have any questions, feel free to contact us. Thank you.
