Declaration Letter

To whom it may concern:

This is to declare that our RF chip model no.: BCM4716A1KFBG will be changed to model no.: BCM4716B0KFBG on WRT160Nv3 device. Revision of BCM4716 is identical to previous one in all aspects except for its manufacturing process.

The manufacturer of RF chip was changed to another one with the same basic function as the old chip and electrically identical and no change in radio parameter. (The chip is pin to pin).
