AUTOMATIC IDENTIFICATION SYSTEM
FCC ID label AIS 200/Simrad AI 80 and location of label on product

FCC ID
Q8IAIS200AI80

Figure 1 FCC ID label - text

On the AIS 200/Simrad AI 80 mobile unit, labels will be located on two places located at rear part of the cabinet. One set of labels is placed on the extension of the bottom plate of the unit to the left of the main product label (figure 2), and the second set is placed on the rear cover (figure 3). The rear cover is removable as shown on the pictures below and when the cover is removed the other labels will be visible.
