RE: Permissive Change, Note 05

To Whom It May Concern:

The purpose of this letter is to submit the test report verifying compliance to 15.207 conducted limits in response to note 05 on the grant. The product, which had been previously tested to the old conducted limits, has been retested to the proper conducted limits.

The test results are enclosed as an appendix to the original report.

Sincerely

A handwritten signature in black ink, appearing to read "Maria M. Touchton", written in a cursive style.

Maria M. Touchton
