

Date: March 10, 2004

SUBJECT: Application for a Class II Permissive change for FCC ID Q93-U002

To Whom It May Concern:

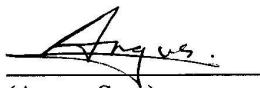

We would like to apply for a Class II Permissive change for FCC ID: Q93-U002 with the following modification:

- The difference between the new submitted samples and our granted one are only in the memory size and number of memory chip in the unit.
- The memory size and chip combination are as follows:
64M: 1 chip
128M: 1 or 2 chips
256M: 1 or 2 chips

This device has been tested with the changes and found to continue to comply with the FCC requirement shown in the attached test report.

Should you have any questions or further information with regards to this, please feel free to contact me.

Sincerely,

(Angus Sam)
(Chief Technical Officer)
