

Date: June 13, 2018

To: FCC

FCC: Q95ER22

To whom it may concern,

The previously certified device, the scala rider FREECOM2 received FCC certification on FEB 14, 2017 under FCC: Q95ER22.

Subsequently, in the new device, the FREECOM 2+, the following changes were made:

1. Reduction of RF Power based on Software update only.

Thank you,

Amit Davidson, HW manager
