## EN NOTICES

### 12.1 Federal Communications Commission (FCC) Statement

You are cautioned that changes or modifications not expressly approved by the part responsible for compliance could void the user's authority to operate the equipment.

### 15.00 (B)

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy. If not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
  - Increase the separation between the equipment and receiver.
  - Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
  - Consult the dealer or an experienced radio/TV technician for help.
- This device complies with part 15 of the FCC Rules. Operation is subject to the following two conditions:
- This device may cause harmful interference, and
  - This device must accept any interference received, including interference that may cause undesired operation.

### RF Exposure Information (SAR)

This device meets the government's requirements for exposure to radio waves. This device is designed and manufactured not to exceed the exposure limits for exposure to radio frequency (RF) energy by the Federal Communications Commission of the U.S. Government. The emission standards required to assure compliance are the Specific Absorption Rate, or SAR. The SAR limit is 1.6 W/kg. The FCC has SAR testing procedures that require that interference will not occur in a particular installation. If this equipment does not comply with the FCC's exposure guidelines, the FCC has granted an Equipment Authorization for this device with all reported SAR levels evaluated as in compliance with the FCC's exposure guidelines. SAR information for this product can be found at the Federal Grant section of the user manual.

### Industry Canada (IC) / CENELEC / CE

This device complies with Industry Canada license-exempt RSS standard(s). Operation is subject to the following two conditions:

- (1) This device may cause harmful interference, and
- (2) This device must accept any interference that may be received, which may cause undesired operation.

This device must accept any interference, including interference that may cause undesired operation of the device.

**Radio Frequency (RF) Exposure Information**  
This device complies with the government's requirements for exposure to radio waves. This device is designed and manufactured not to exceed the exposure limits for exposure to radio frequency (RF) energy by the Federal Communications Commission of the U.S. Government. The emission standards required to assure compliance are the Specific Absorption Rate, or SAR. The SAR limit is 1.6 W/kg. The FCC has SAR testing procedures that require that interference will not occur in a particular installation. If this equipment does not comply with the FCC's exposure guidelines, the FCC has granted an Equipment Authorization for this device with all reported SAR levels evaluated as in compliance with the FCC's exposure guidelines. SAR information for this product can be found at the Federal Grant section of the user manual.

### European CE Notice

Your Cardo product (the "Product") is in conformity with the following essential requirements of Council Directive 2014/53/EU Article 3.1a, 3.3 and 3.2. The Product is manufactured in accordance with Annex II of the above directive.

**Charging Temperature:** Battery charging temperature will be maintained between 20° and 50° C (68° and 118° F).

**AC/DC Adapters:** When charging from a wall outlet, make sure that the plug on AC/DC adapter meets the following criteria: Input: 100-240 V AC, 50/60 Hz, 0.2 A maximum output 5 V DC, 1 A maximum.

**Declaration of Conformity (DOC)**  
The Product is compliant with and adopts the Bluetooth® Specification 2.1 and has successfully passed all interoperability tests that are specified in the Bluetooth® specification. However, interoperability between the device and other Bluetooth® enabled products is not guaranteed.

**Copyright**  
The contents of the User Guide, including all text, illustrations and drawings, are the exclusive intellectual property of Cardo Systems, Inc. ("Company") and are used under copyright law. They are not to be reproduced, stored in a retrieval system, or transmitted in any form or by any means, without the prior written authorization by the Company are strictly prohibited. Any rights not expressly granted herein are reserved.

**WARNING:** You are hereby notified that your complete and undivided attention is required when using a communication device (the "Product") while driving. The use of a communication device while driving can distract your attention away from the road and increase the risk of an accident. Do not drink and drive. Do not use a communication device while driving if you are impaired by alcohol or drugs. Do not use a communication device while driving if you are impaired by fatigue. Do not use a communication device while driving if you are impaired by medication. Do not use a communication device while driving if you are impaired by any other condition that may affect your ability to drive safely. Do not use a communication device while driving if you are impaired by any other condition that may affect your ability to drive safely.

**Health Warnings:** Hearing Loss: Audio devices can cause hearing loss. Employ ear canal and avoid exposure to excessive volume levels that may damage or impair hearing and lead to hearing loss. Permanent hearing loss may occur if audio equipment are used at high volume for prolonged periods.

**RF Signals:** Most electronic equipment is shielded from RF signals. However, certain electronic equipment may not be shielded against the RF signals emitted from wireless equipment.

**Health Warnings:** The health industry manufactures a number of products that contain a certain variation of active or inert chemicals (in 1% or less) to be maintained between a mobile phone or wireless device and a pacemaker to avoid potential interference with the pacemaker. Do not use or use near the functionality of personal medical devices.

**Health Warnings:** Some devices may interfere with certain hearing aids. In the event of such interference, you should consult your hearing aid manufacturer to discuss alternatives.

**Medical Devices:** Do not use any other personal medical device, including the manufacturer of your device and/or your physician to determine if a adequately shielded from interference caused by external RF energy. Your physician may be able to assist you in obtaining this information.

**LIMITED WARRANTY**  
Subject to the applicable laws and regulations in your jurisdiction, your Product is covered by a two (2) year limited product warranty from the date of original purchase. These terms and conditions apply to the original purchaser and any subsequent purchaser who acquires the Product in good faith. In no event shall Cardo be liable for any incidental, special, indirect, punitive, exemplary or consequential damages, whether resulting from the use, misuse, or inability to use the Product or from defects in the product, or for any damages whatsoever resulting from the use of the product, whether based on breach of contract, tort or negligence, product liability, or otherwise even in the absence of the possibility of such damages. You acknowledge and agree that the above are fundamental elements of the agreement to which you are agreeing to purchase and without which the product would not be provided to you absent such acknowledgment. Cardo retains the exclusive right to repair or replace with a new or newly refurbished replacement Product the product of software or gear or a refund of the purchase price at the sole discretion. SUCH REMEDY SHALL BE YOUR SOLE AND EXCLUSIVE REMEDY FOR ANY BREACH OF WARRANTY.

Subject to the aforementioned, Cardo hereby certifies that this Product is warranted to be free from defects in materials or workmanship. Without limitation, Cardo will, at its sole option, repair or replace any components that fail in normal use. Cardo's obligation to repair or replace any components that fail in normal use is limited to the original purchase price of the product. Such repairs or replacements will be made at no charge to the customer in full cash, provided that the customer shall be responsible for any shipping cost and applicable fees to any official authorities. This warranty does not cover failures due to abuse, misuse, accident, use, non-authorized alterations or repairs.

This Product is not intended for use as a communication and entertainment device and should not be employed in any location or jurisdiction where its use is prohibited.

The warranties and remedies contained herein are exclusive and in lieu of all other warranties, express, implied or statutory, including any liability arising from any warranty of merchantability or fitness for a particular purpose, product liability or otherwise that Cardo specifically disclaims. This warranty does not extend to any product that is not purchased from Cardo. Cardo makes no warranty, express, implied or statutory, for any product that is not purchased from Cardo. Cardo assumes no responsibility resulting from the use of non-Cardo components, accessories or devices in conjunction with its Products. Cardo does not tamper with batteries from the use of an explosion / battery by accident by an incorrect type.

**Not covered by the warranty:**

- Defects or damage resulting from the use of this Product in either than its normal and customary manner.
- Defects or damage from misuse, accident or negligence.
- Defects caused by improper operation, maintenance, installation, adjustment or modification of any kind, long term storage without proper charging of the battery.
- Product opened, disassembled or repaired by non-authorized parties.
- Defects or damage due to exposure to excessive temperatures or external impact.
- All parts and/or other and externally exposed parts that is scratched or damaged after purchase.

**Disclaimer of Warranty**  
The device and its accessories are provided "as is" and "as available" without warranty of any kind beyond those assumed in the enclosed manual.

**Warranty Service**  
To obtain warranty service, please contact the Product, along with your registration number, bill of sale (receipt) of any authorized Service Center or the store from which you have purchased the Product. To obtain warranty service, contact Cardo's product support and obtain their RMA tracking number, or contact your local Cardo authorized dealer. Ship products with a copy of the original receipt which is required to register the product for warranty repairs. The RMA tracking number should be written on the outside of the package. Send the Product and packaging prepared to the Cardo address as directed by Cardo.

**USING AND GENERAL RELEASE**  
By using this Product, you will waive substantial legal rights. Cardo will not enforce its rights to sue. Please read the following carefully before using the Product.

By using the Product, you are irrevocably releasing, indemnifying from any liability, loss, claim and expense (including attorney's fees) and holding Cardo harmless for any bodily injury, loss or death, as well as any losses or damages in goods, to any vehicles including your own, or to any property or act that belong to you or to third parties, in any way, in which may result from you using the Product under any circumstances or conditions and irrespective of negligence.

You, your heirs, legal representatives, successors, assigns, hereby voluntarily and forever release, discharge, indemnify and hold harmless Cardo from any and all litigation, claims, demands, actions and liability which may arise, directly or indirectly, from using the Product for any permitted, lawful, suffering, discomfort, loss, injury, death, damages or in respect to any person or property whatsoever, WHETHER OR NOT SUCH DAMAGE OR INJURY IS CAUSED BY THE PRODUCT, and which may therefore cause you to some future date as a result of use, in the fullest extent permitted by law.

You fully understand and assume the risks in using the Product, including risk of negligent acts or omissions by others. All for using the Product are assumed solely by the user of the Product.

You confirm that you are physically capable to use the Product and that you have no medical conditions or needs that may impair your ability to use a safe manner. You further confirm that you will not consume any alcohol that may impair your ability to use the Product. You further confirm that you will not consume any alcohol that may impair your ability to use the Product. You further confirm that you will not consume any alcohol that may impair your ability to use the Product.

You hereby assume all risks and dangers and all responsibility for any losses and/or damages, whether caused in whole or in part by the negligence or other conduct of others, including Cardo.

**Environmental Policy**  
By using this Product, you confirm that you have read this notice of liability for fully informed and accepted its terms and conditions.

**5. Environmental Policy**  
Cardo Systems is committed to provide the world's best communication systems for groups in motion. Being a sustainable and environmentally friendly organization is our utmost priority. Our so-designed products throughout a product's potential environmental impact. This is reflected in a product's design, development, manufacturing, and through to its disposal.

We strive to make our products environmentally conscious through our own practices: Facility, conserving resources, innovation, and design. We also make sure that our products are safe for the environment. To ensure our maximum functionality, we encourage our customers and distributors to take appropriate measures for the safe disposal of our products.

For these reasons, our products are recognized around the world as environmentally conscious.
