

FCC ID: Q9DMSR1200N  
IC: 4675A-MSR1200N

# Test

# Setup

**1. Radiated Emission**

30MHz-1000MHz, powered by adapter

30MHz-1000MHz, powered by POE

Higher than 1GHz, powered by adapter

Higher than 1GHz, powered by POE

**2. Minimum 6dB Bandwidth & Maximum peak output power & Power spectrum density & Emission outside the frequency band & Occupied bandwidth & Peak excursion**

**3. Conducted Emission**

Powered by adapter

Powered by POE
