

Attention: Application Examiner / Review Engineer

Reference: Class II permissive change for FCC ID: Q9DMST200

Dear Examiner

This is to request for Class II permissive change for FCC ID: Q9DMST200 originally granted on 05/30/2012 (POE powered device) and 2/27/2013 (AC mains powered device).

This application is based on:

1. This devices previously authorized under Section 15.247 to operate under the new rules in the 5725-5850 MHz band with power increased.

There are not any changes on RF circuit between the new device and the original one, except for different power & band setting among the software.
