Dear Application Examiner:

Please accept this cover letter as Holzberg Communications, Inc.'s request for a change in Identification of equipment per FCC Rule 2.933 (b). The device in question is a dual-band two-way radio which we would like to market under our own name. In obtaining this new FCC ID number, Holzberg Communications, Inc. would like to take responsibility of the device as used in its application.

Listed below are the requirements that are mandated by FCC rule 2.933(b):

1. The original FCC ID number of the radio is FCC ID: XBPTG-UV
2. The date of the original grant was 7/14/09.
3. No modifications have been made to the device.

We request that the new FCC ID be: Q9FDB-ANDY.

Thanks for your consideration in this matter.

Very truly yours,

A handwritten signature in black ink, appearing to read "Andrew M. Holzberg".
