Dear Alan

**FCC/TCB original application - Promethean Ltd PRM-RS1-01 / TDS-RS1-01 ACTIVslateXR
FCC id QAM004**

The application is for an ACTIVslate XR peripheral intended for use in conjunction with the ACTIVboard (FCC id QAM002, QAM003) or ACTIVhub (FCC id QAM005) to allow wireless pen control of host PC applications. It is battery powered and communicates back to the ACTIV host utilising a 915MHz radio link.

The ACTIVslateXR is also marketed under the brandname 'TDS'. The code is the only change to the product as follows:

PRM-RS1-01 becomes TDS-RS1-01.

Yours sincerely

Phil Dolling
Compliance Manager
