

## Request for Permissive Change Class II FCC ID QAM008

17 February 2011

To Whom It May Concern,

Promethean hereby request, pursuant to 47CFR2.1043 a Class II permissive change for the Promethean Product Activote FCC ID QAM008.

Details of the change:

This application is to include a revised ATMEL Processor on the Activote. The existing part is the ATMEGA168-20MU and the revised part is the ATMEGA168PA-MU. Both of these devices are pin compatible and no change in firmware is necessary.

The Activote with this revised part has been tested by TRaC Global and their test report is submitted with this application.

Yours faithfully,

Bryan Lofthouse  
Compliance Engineer
