

MANUFACTURER'S LETTER

20 July 2010

RE: FCC Labelling Requirements ActivSlate 60
FCC ID: QAM013

To Whom It May Concern,

Regarding ActivSlate 60 product labelling, please be advised that the manufacturer Promethean Limited will ensure that the above-referenced model will be manufactured in accordance with the FCC Rules and Regulations.

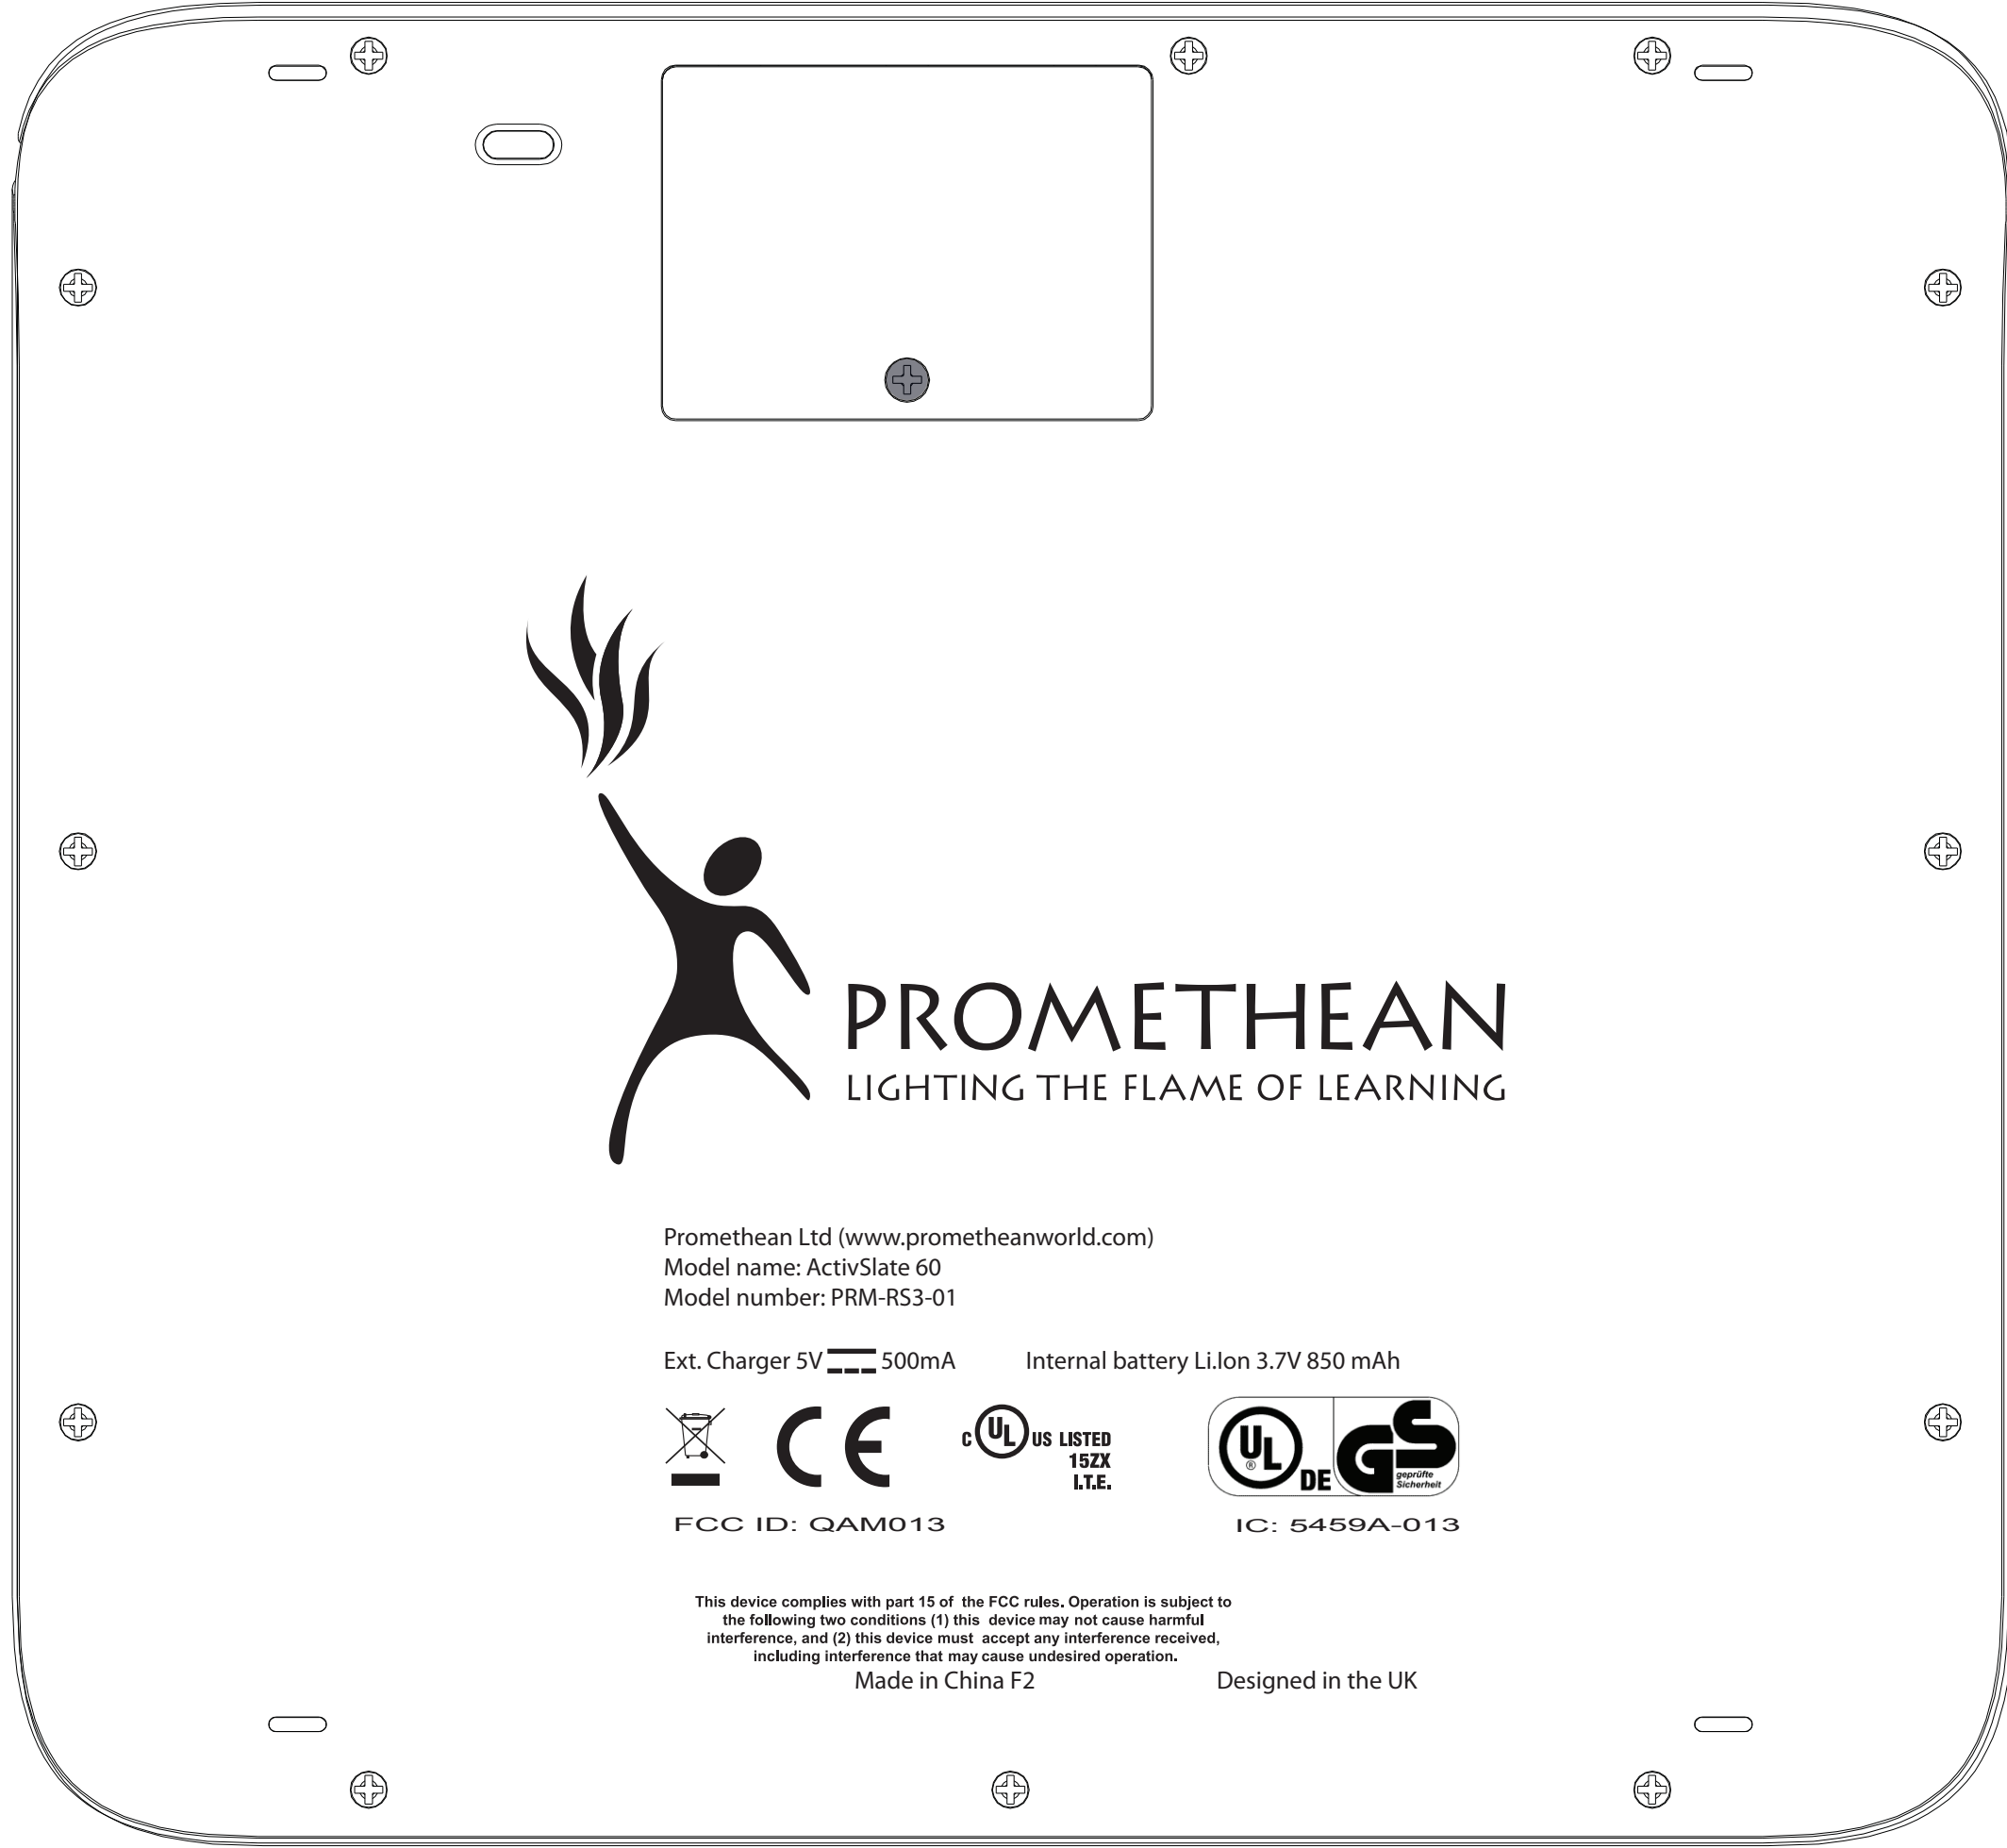

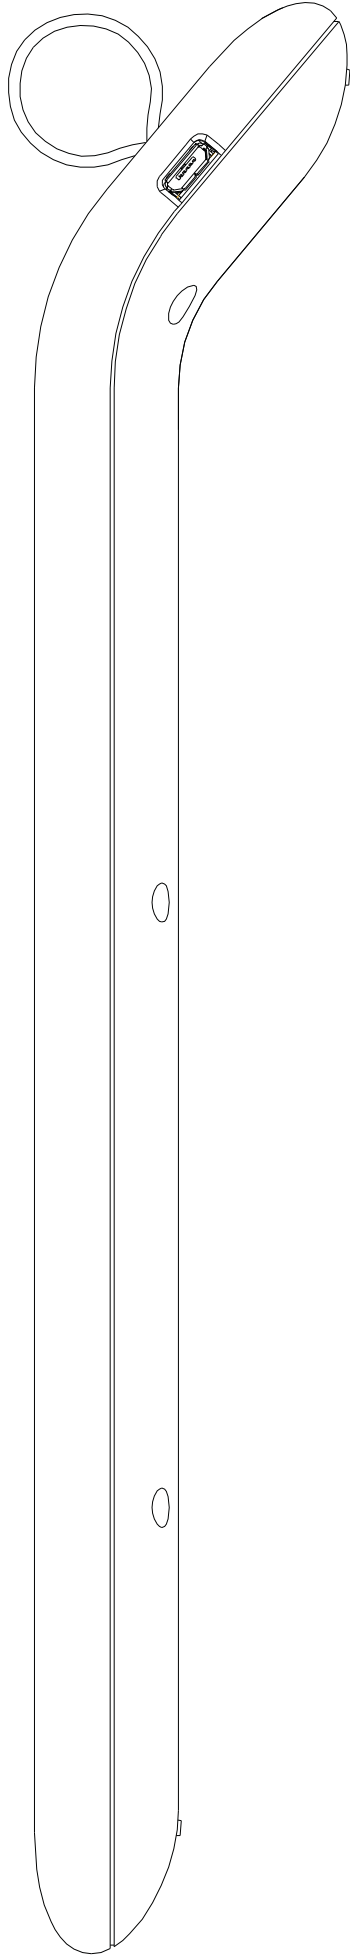

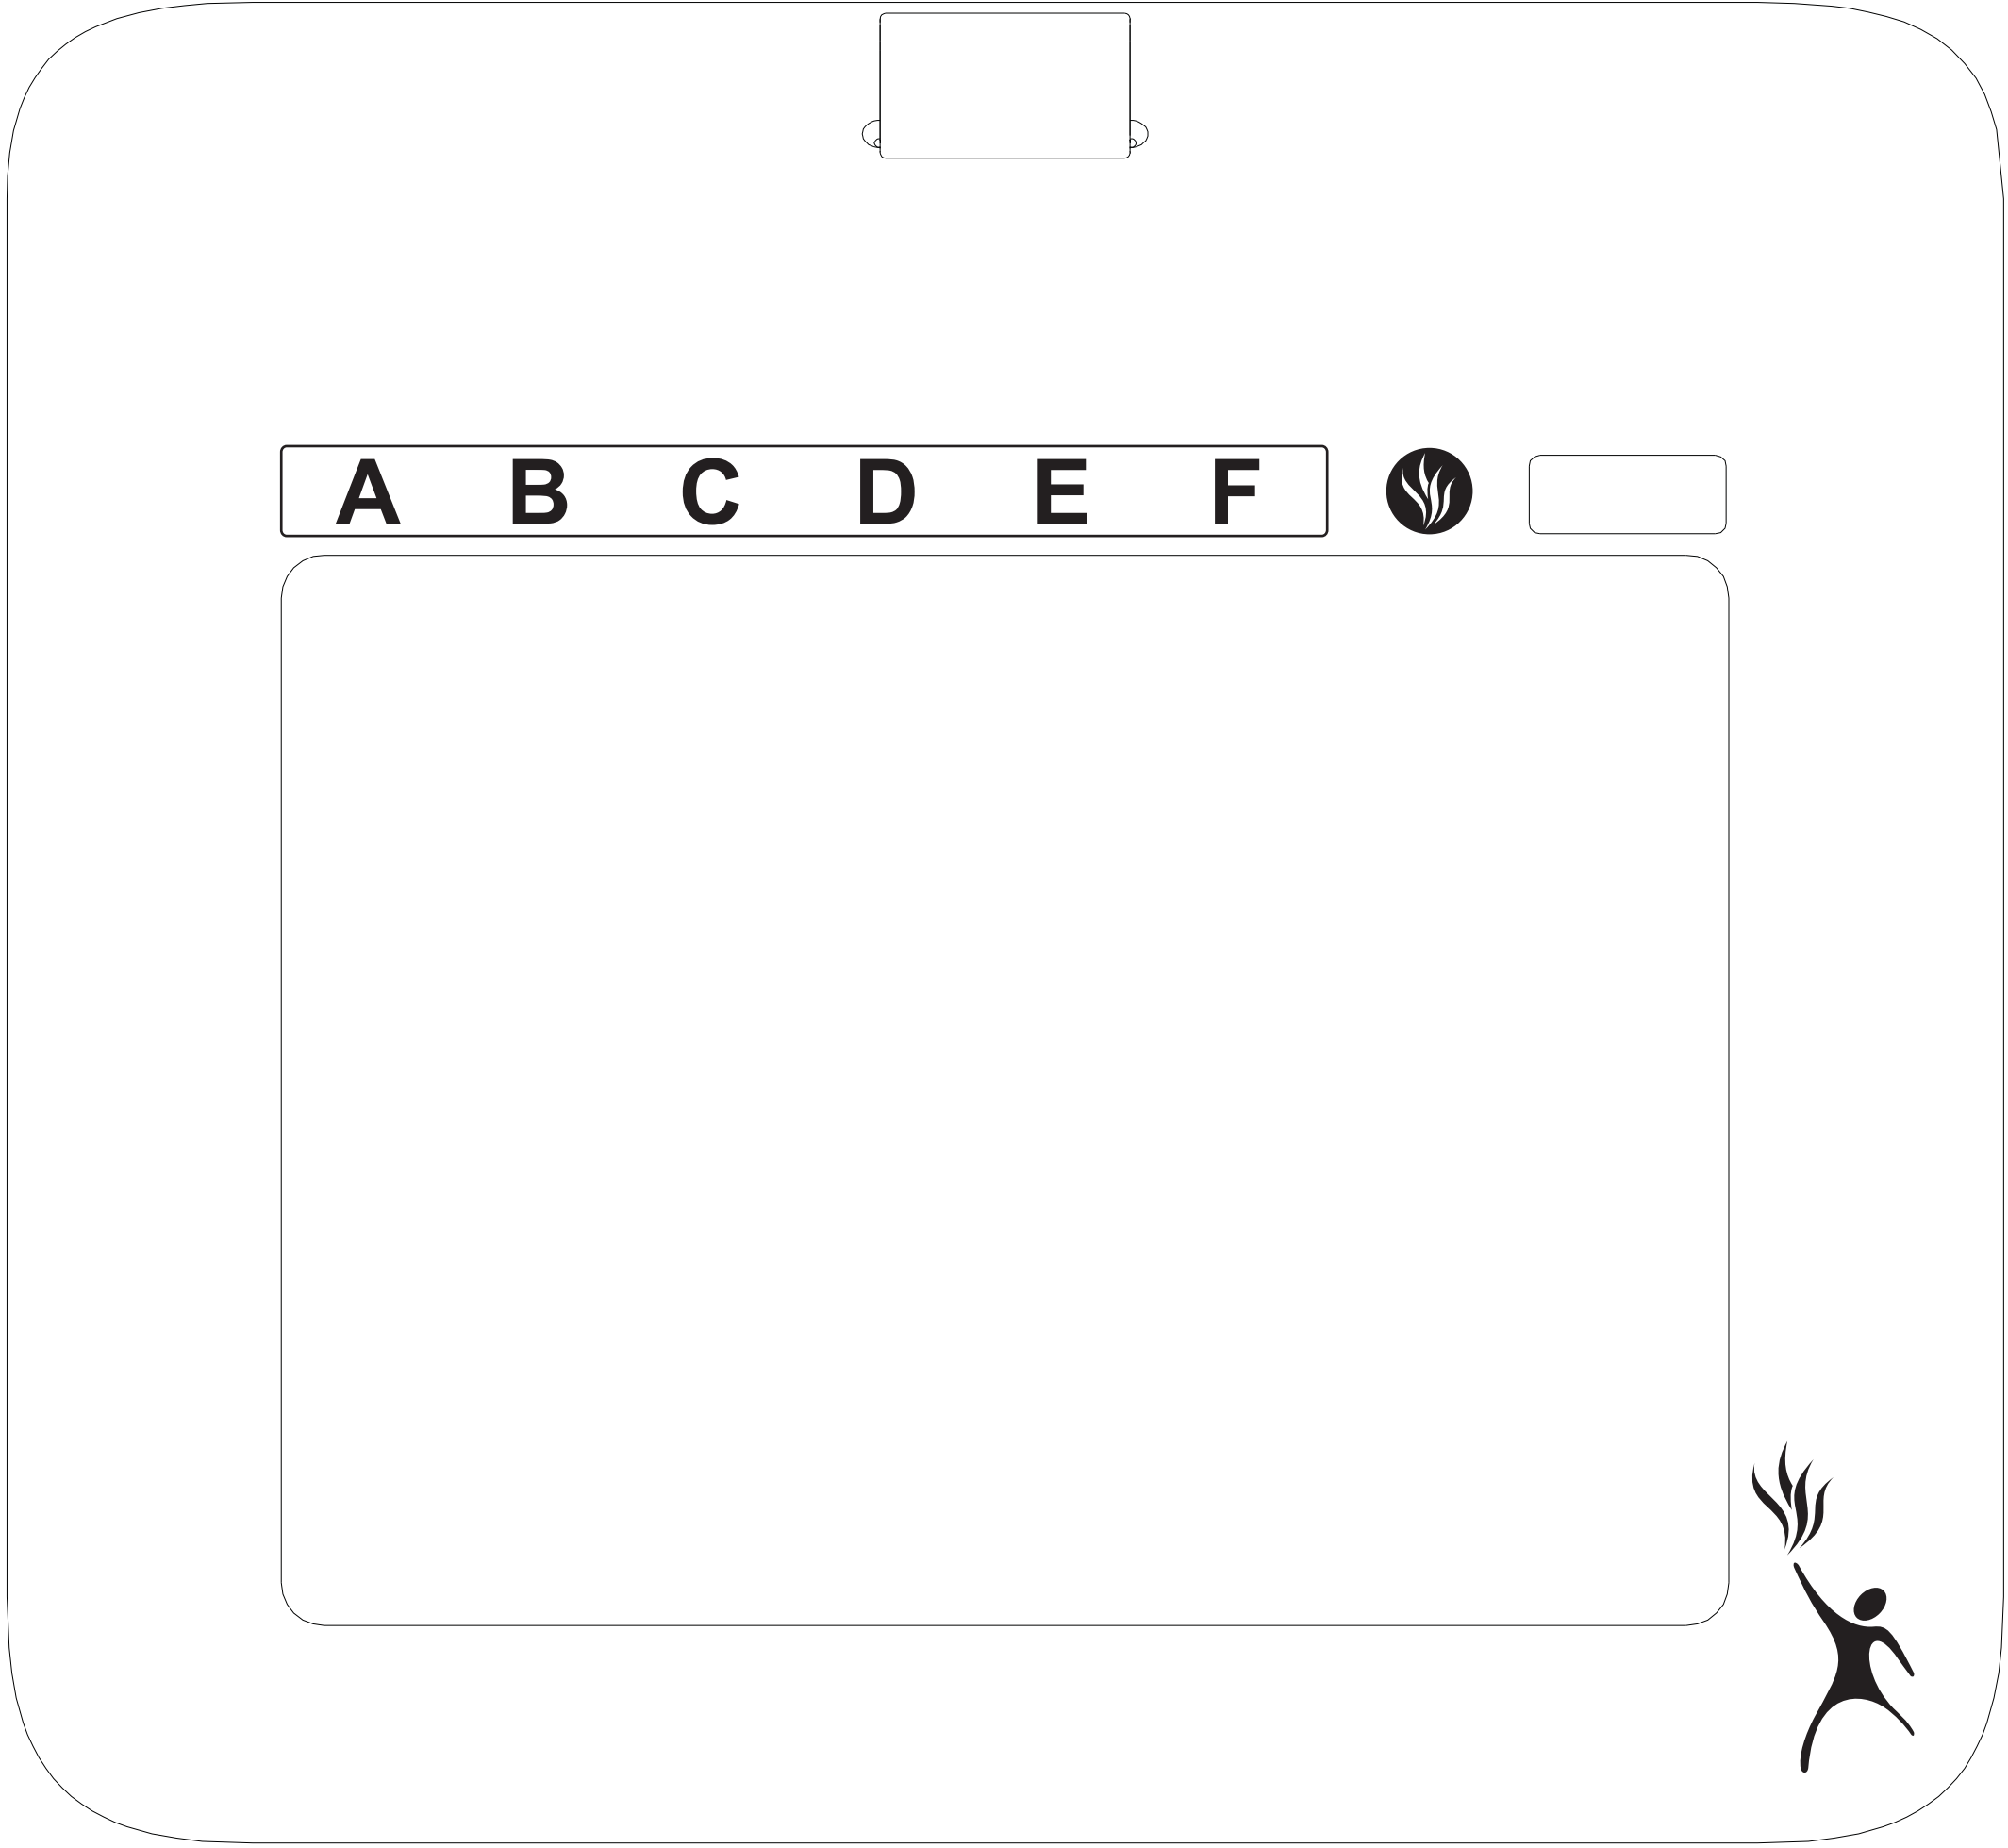

On the following page is a copy of the drawing detailing the pad printing used on the ActivSlate 60. The pad printing fully meets the durability requirements as detailed in UL 60950-1.

The serial number label is affixed to the rear of the ActivSlate 60 as per drawing 592 1001.

Thank you for your attention to this matter.

Yours faithfully,

Bryan Lofthouse
Compliance Engineer
