

Enclosure. 7

Multi-Carrier Power Amplifier Subsystem. Product Number: KRB 101 1108

Radio Frequency Radiation Exposure Statement.

Ref:

1.1307. National Environmental Policy Act of 1969.

The Multi-Carrier Power Amplifier by itself offers no environmental impact.

1.1310. National Environmental Policy Act of 1969.

The Multi-Carrier Power Amplifier is integrated into a Base Station Configuration. The Maximum Permissible Exposure (MPE) is determined at the Base Station level.

2.1091. Radio Frequency Radiation Exposure Evaluation: Mobile Devices.

Not Applicable. The Multi-Carrier Power Amplifier is not a Mobile Device.

2.1093. Radio Frequency Radiation Exposure Evaluation: Portable Devices.

Not Applicable. The Multi-Carrier Power Amplifier is not a Portable Device.
