Subject: VPN SYSTEMS INC. Submission for FCC Grant of Equipment Authorization

Reference: VPN Systems Inc. Access Wireless Point Device

To Whom It May Concern:

VPN Systems Inc. hereby requests that certain sections, exhibits and the like, to our attached submission be treated by the FCC as confidential information. The sections that require confidentiality is, *for the most part all of the Section* entitled Block Diagrams and Schematics and includes the following technical information:

- Detailed Theory of Operation
- Any and all Block Diagrams and explanatory text
- All Schematics

The above technical information, which is explicitly characterized in our submission, describes in detail how our product is built and its theory of operation. This level of technical information, if disclosed outside the FCC, would cause irreparable harm to VPN Systems from a competitive standpoint.

Therefore, we respectfully request that the technical information listed herein and fully described in our submission attached hereto be treated as confidential information and not be disclosed outside of the FCC.

Sincerely,

A handwritten signature in black ink, appearing to read "Ed Suor", written over a light blue horizontal line.

Edward W. Suor  
Managing Director
