Subject: Justification for requesting internal & external photos confidentiality

Applicant: Redline Communications Inc.
Model: RDL-3100-RMA
FCC ID: QC8-RDL3100RMA

Dear Sir / Madam,

Redline Communications Inc. would like to request that internal and external photos are held confidential and not available to public viewing. This submission is for limited modular approval therefore the external and internal photos are the same.

The RDL-3100-RMA is limited modular transmitter that will not be distributed, marketed or sold to the general public and Redline will not make this module available as standalone product. It will be installed in the devices produced by Redline Communications Inc. and its authorized partners. It is only serviceable by Redline Communications or its designated technicians.

The final product containing RDL-3100-RMA module, FCC ID: QC8-RDL3100RMA will be sold to customers for highly confidential and secure industrial, military and public safety applications. We feel that this information is considered as sensitive and creates a vulnerability to customers deploying this product.

This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. These sections authorize withholding from public inspection materials which would not customarily be released to the public.

Sincerely,

Rod Cronin
