RE: CERTIFICATIONS CONCERNING “COVERED” EQUIPMENT
FCC ID: QCI-SKIWB800D3

To Whom It May Concern:

As required by section 2.911(d)(5)(i), SMART Technologies Inc. (“the applicant”) certifies that the equipment for which authorization is sought is not “covered” equipment prohibited from receiving an equipment authorization pursuant to section 2.903 of the FCC rules.

As required by section 2.911(d)(5)(ii), SMART Technologies Inc. (“the applicant”) certifies that, as of the date of the filing of the application, the applicant is not identified on the Covered List (as a specifically named entity or any of its subsidiaries or affiliates) as an entity producing “covered” equipment.

Thank you for your attention to this matter.

Sincerely,

Nicole McMillan / Manager, System Design, Regulatory and Compliance
SMART Technologies Inc.
