RE: Request for Confidentiality
FCC ID: QCI-SRXMOD1

To Whom It May Concern:

Pursuant to the provisions of Sections 0.457 and 0.459 of the Commission's rules (47 CFR §§ 0.457, 0.459), we are requesting the Commission to withhold the following attachments as confidential document from public disclosure indefinitely:

- Schematic Diagram
- Block Diagram
- Theory of Operation
- Bill of Materials

Above mentioned documents contain detailed system and equipment descriptions, which are considered proprietary information in the operation of the equipment. The public disclosure of the above documents might be harmful to our company and would give competitors an unfair advantage in the market.

Sincerely,

Sean MacKellar
