Attention: Reviewing Engineer

RE: CONFIDENTIALITY REQUEST FCC ID QCJSAFR218

To Whom It May Concern:

This letter serves as an official request for confidentiality under FCC Rule Section 0.459.

The documents which Multispectral Solutions, Inc. is requesting confidentiality are as follows:

1. Schematic Diagram. We request that the schematic diagram (marked proprietary) be withheld from public review. The schematic contains design information that is company trade secret and privileged material.
2. Parts List/Bill of Materials. We request that the parts list/bills of material (marked proprietary) be withheld from public review. The parts list/bills of material contain design information that is company trade secret and privileged material.

Please contact me if there is any information you may need.

Sincerely,

Robert J. Fontana, Ph.D.
VP/General Manager
