

Dear Timothy,

Thank you very much for the comment.

For comment 1 & 2, the applicant resigns their Form 731 and Cover Letter, by Chip Hicks. New files "ATCB-Form-731 (ver.01)", "FCC Confidential Letter (ver.01)" attached.

For comment 4 & 5, the applicant confirmed the FCC ID should be "QDL-A25TVVJ". Please see attached file "FCC ID Label (ver.01)".

Comment 6, Airo Wireless has asked the module manufacturer (Siemens) to provide it as soon as possible.

Comment 7~10, the applicant is modifying the user manual now. We will submit it to you later.

Comment 11, We've done the additional tests and add the data into our report. Please see "Test Report (p22+24) (ver.01)" for this case.

Comment 12~14, We've corrected the 731 form. Please see "ATCB-Form-731 (ver.01)" for this project.

Comment 15, the applicant will modify the Bluetooth version from 2.0 to ver. 1.1~1.2 in their user manual because they don't use the function of Bluetooth 2.0.

Comment 16,

	Vi=3.7Vdc	(Mid CH)	
	GSM(mA)	GPRS(mA)	EGPRS(mA)
850	633.6	1049.8	1072.8
1900	635.7	919.3	912.3

Comment 17~24, our SAR team is still working on it. We will upload later.

All attached files were uploaded to ATCB website as well.

Should there be any mistake or problem, please feel free to let me know.

Thank you very much for your consideration upon this project!

Best Regards,

Elisa
