

To whom it may concern:

We (IRIVER LIMITED.) confirm the below.

- 1) Applied Model  
Product: Portable Music Player  
Model No.: PPE11
  
- 2) Because the average output power is so low, the SAR tests is exempted, even though it is the portable device.  
- Average Output Power is less than **6.39mW**.
  
- 3) Part 15B was applied under the DoC procedure. Please refer to the issued test report. .  
- Test Report No.: 15IST-0182

If any other question, please feel free to contact with me.

Sincerely,

---

Woo-Suk, Kim / Manager  
IRIVER LIMITED.
