To whom it may concern:

This is an amendment to the existing authorization dated on March 20, 2007.

I, the undersigned, hereby authorize Ms. Claire Hoque/Application Examiner of Compliance Engineering Services, Inc., d.b.a. Compliance Certification Services and hereafter referred to as CCS, to act on our behalf in all manners relating to application for FCC equipment authorization, including signing of all documents relating to these matters.

This authorization is valid until further written notice from the applicant.

Sincerely yours,
