Subject: Dismissal request of grants under FCC ID: QDS-BRCM1065

Dear Examiner,

We, Broadcom Corporation, request that the grants under the FCC ID: QDS-BRCM1065 be dismissed. The associated submission numbers are listed below:

TC961027 (DTS)
TC788545 (DSS)
TC658536 (JBP)

TC663674 (DTS C2PC)
TC517734 (DSS C2PC)

An error was found in the power measurements that resulted in lower power being listed in the test reports and original grants. A new application will be submitted under the same ID once the original filing has been dismissed.

We have not sold any units to system integrators.

Best Regards,

A handwritten signature in black ink, appearing to read 'DL', with a long horizontal flourish extending to the right.
