

To: TCB UL-CCS

FCC ID: QDS-BRCM1065

Subject: Attestation for the filing of this LMA FCC ID QDS-BRCM1065

a. We confirm that colocation with other transmitter modules will be addressed through filings for those co-located transmitters when necessary or that colocation of other transmitters will be according to applicable KDB guidelines including those for RF exposure.

b. We confirm that locating other modules or antennas close to the antenna for this module may require re-evaluating the radiated measurements described in this filing.

Regards,

Vivian Zhang
