Subject: Request Confidentiality

FCC ID: QDS-BRCM1075

TO Whom It May Concern

Pursuant to 47 CFR §§ 0.457 and 0.459), Broadcom Corporation (“Broadcom”) requests that the commission permanently hold in confidence the following attachment to Broadcom’s Application for Equipment Authorization (“ Application “):

- . •Tune up procedure
- . • Antenna Spec
- . • Operation Description.
- . • KDB 594280 D02 U-NII Device SW Security Statement

The above-reference documents contain detailed system and equipment descriptions that are proprietary to Broadcom. The public disclosure of these documents would be harmful to Broadcom and would give competitors an unfair advantage in the market.

In addition to the documents described above, pursuant to Pulic Notice DA 04-1705 while ensuring that business sensitive information remains confidential until the actual marketing of newly authorized devices,we request that the Commission hold the following attachments to Broadcom’s Application in confidence for 180 days.

- . • External photos
- . • Internal photos
- . • Test set-up photos (Including SAR Test Photo)
- . • User Manual

It is our understanding that all measurement test report, FCC ID label format and correspondent during certification review process cannot be granted as confidential documents and those information will be available for public review once the grant of equipment authorization is issued.
