

Re: Request for confidentiality

FCC ID: QF73101A

Applicant: Geophysical Survey Systems, Inc.

Dear Mr. Lyles,

***Permanent Confidentiality***

Request is hereby submitted by Geophysical Survey Systems, Inc. to withhold permanently from public review certain portions of the application for equipment certification for the referenced IC identifier. In particular, the following sections of the application are to be kept permanently confidential:

Exhibit Type	File Name
Block Diagram	QF73101A BLOCK DIAGRAM.pdf
Schematics	QF73101A Transmitter Schematic.pdf
Operational Description	QF73101A Operational Description.pdf
Internal Photos	QF73101A Internal Photos.pdf

Rationale for request for confidentiality:

Geophysical Survey Systems, Inc. has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the permanently confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading edge technology developed by us.

A separate letter justifying confidential treatment of the internal photographs is included.

The fee for confidentiality has been submitted along with the fee for certification. If you have questions or need further information, please contact the undersigned.

Sincerely,

A handwritten signature in black ink, appearing to read "Alan Schutz", is written over a light blue horizontal line.

Alan E. Schutz

Vice President - Technology

Geophysical Survey Systems, Inc.
