Dear Alan

Original application - FCC / TCB - IP Access (FCC id QGGKU02ZZP)

Please find enclosed one set of zipped files on behalf of IP Access Ltd.

The application is for an original FCC approval of an IP Access Ltd 165B.

The product is a nanoBTS picocellular basestation operating at 1900MHz.

This application is part of a one-stop project. Please note that the FRN is not included in the application form. IP Access will be sending this information to you shortly.

The certification number is **HA614552**. Please do not invoice IP Access directly. The project manager is **Martin Foley**. If there are any questions please contact Martin in the first instance.

Yours sincerely

Phil Dolling
Compliance Manager
