Dear Alan

**FCC application – IP Access 2G BTS Nano Base Station Model No. 165D**  
**FCCid: QGGKU02ZZR**

Please find enclosed one set of zipped files, an application form and accompanying letter on behalf of IP Access Ltd. Also included is a datasheet to assist in understanding the product.

The product is a GSM Base Station working at 850 MHz. A similar product from IP Access was previously approved by BABT (at 1900MHz).

This application is part of a one-stop project and the sales order number is 75903461.

Please do not invoice IP Access directly.

The project manager is Sarah Jones. If there are any questions please contact Sarah in the first instance.

Yours sincerely

Phil Dolling  
Compliance Manager
