Subject: Schmatics for UDC 5800 for FCC filing

Dear Mr. Gubisch

Attached please find the schematics for our frequency converter model UDC5800 Rev F. I was asked by Mr. Ray Vallejo to send these files to you direct. These schematics are Teletronics confidential property and must not go to public domain. I therefore request to maintain this confidentiality.

If you need any other document or you have any questions please do contact me.

best regards
