TO WHOM IT MAY CONCERN

We the undersigned declare that the original test reports from the integrated wireless module (SL8081) accurately represent test results under the new conditions in this host. No changes were made to the module by either external circuitry or in the module's firmware that impact the validity of the results of the original module's test reports for the following products:

<u>FCC ID Number</u>	<u>Product</u>	<u>Title/Model</u>
QHC - I2103G		SSI I210 3G SmartMeter

If you have any questions, please feel free to contact me at the address shown below.

Sincerely, 
Mike Mathis
