

**Justification of the modifications of the FCC ID: QHKLIBREADERLP101**

The objective of the L-P101 marketing name change to P200 is to promote a better value for money perception of the product.

To achieve the cost reduction, a new power supply unit was selected without compromising electrical safety and spurious emission levels as tested in the present class II change.

Franck D'ANNUNZIO  
Director Product Development  
**TAGSYS RFID e-connecting goods**
