Re: Request for confidentiality

Applicant: Laerdal Medical AS

FCC ID: QHQ-185-20050

To whom it may concern,

Permanent Confidentiality

Request is hereby submitted by Laerdal Medical AS to withhold permanently from public review certain portions of the application for equipment certification for the referenced FCC identifiers. This request for confidentiality is made pursuant to 47 CFR 0.457(d) and 0.459 of the FCC Rules. In particular, the following sections of the application are to be kept permanently confidential:

- Schematics
- Detailed Block diagrams
- Parts list

Rationale for request for confidentiality:

Disclosure of the permanently confidential portions of this application to competitors would not only give them significant competitive advantages in developing similar products, but would also disclose successful implementation of unpublished, leading edge technology developed by us.

Sincerely,
