RE: CONFIDENTIALITY REQUEST FOR VitalSim Control Unit, FCC ID QHQ-FST1908

To Whom It May Concern:

This letter serves as an official request for confidentiality under FCC Rule Section 0.459. We have requested that the schematic diagrams PRO-T35-0029, required to be submitted with this application be withheld from public review. The reason for this request is that the documents are company proprietary information that could never get into the possession of our competition.

Please contact me if there is any information you may need.

Sincerely

Arild J Eikefjord
