Dear Tim,

Thank you for your reply and my answer is as belowing.

Q1: The user manual must include the following additional statement with the information on page 78/78. Please provide a revised manual.

"The antenna(s) used for this device must be installed to provide a separation distance of at least 20 cm from all persons."

ans: Please find the attachment for revised user manual.

Q2: The user manual page 40 in the Channel ID function shows UNITED STATES. Please provide an attestation statement that units marketed to the US will not allow users to access or select settings that will allow operation on channels outside the frequency range of 2412-2462 MHz.

ans: Please find the attachment for the attestation. If this form is OK, my client will sign it.
