Bluetooth Instruction

(Note: The Bluetooth code is B26 , pair code: 0000)

1. Switch the button to "ON", hear the prompt sound and the blue indicator flash, it means it has entered Bluetooth pairing status.

2. Starting up the Bluetooth function of mobile phone to search for Bluetooth device, B26, select it and it will be prompted for a password (Note: some mobile phone can be connected directly without entering pairing code), enter "0000", press "Yes" to connect.
3. The Bluetooth speaker is ready for use.
4. Hands free function.

Line-in function

Connect it to any device with a 3.5mm interface to play music and the led light will be blue and flash.

Charging the Battery

- Plug the provided USB charging cable into the speaker and an active computer USB port or a USB AC adapter that is plugged into an active wall outlet.
- Charging time: 1.5-2hours

NOTE: This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures.

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help

Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) this device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.
