Subject: Request for Permissive Change Class II
FCC ID: QIPBGS2

To Whom It May Concern:

Pursuant to CFR47 §2.1043, **Cinterion Wireless Modules** requests a permissive change class II for its application with the FCC ID: **QIPBGS2** granted on 03/08/2011.

Modifications on the original granted device:

- To improve the solder process the location of the ground pads on the bottom layer was modified only with changing the Solder Mask. The PCB with its metal layer itself stays unchanged.

The following exhibits will be uploaded:

1. Delta Test report according to FCC Part 22/24, radiated measurements
2. external photos
3. internal photos
