## Authorization Letter for FCC / ISED certification

The company **7Layers GmbH** has been contracted by **Thales DIS AIS Deutschland GmbH** to obtain "FCC and ISED certification" for the following electronic component manufactured and/or released by Thales DIS AIS Deutschland GmbH:

Product Identification: **Cinterion® DGL61-W**  
Contains Transmitter Module: **Cinterion® PLS62-W**  
Contains FCC ID: **QIPPLS62-W**  
Contains IC: **7830A-PLS62W**

The following person at 7Layers GmbH will be authorized:

**Andreas Tübel**  
[Andreas.Tuebel@7Layers.com](mailto:Andreas.Tuebel@7Layers.com)  
**Borsigstr. 11**  
**40880 Ratingen**  
**Germany**

Unless future correspondence from Thales DIS AIS Deutschland GmbH directs otherwise, please extend your full cooperation to 7Layers GmbH regarding matters to the above mentioned products for the period beginning **5<sup>th</sup> of February 2021** through end of the project date.

Thank you.
