## Declaration on Test Result Applicability

We, Gemalto M2M GmbH, declare on our sole responsibility that the Module:

**PLS8-V**, HW Revision 2.3 (LTE Module)

is in all LTE related HW and SW identical to the Module:

**PLS8-X**, HW Revision 2.3 (LTE, W-CDMA, GSM Module)

Both Modules are identical in PCB, schematic and components. The only difference is the deactivated W-CDMA and GSM functionality on PLS8-V. The not used components are depopulated.

Therefore all LTE Test Results of PLS8-X are applicable for PLS8-V.

If you have any questions, please feel free to contact us at the address shown above.

Sincerely,

Thorsten Liebig

Manager Approval

Dr. Jörg Rook

Head of System Test
