Subject Fw: FCC Equipment Authorization System---Reply to
Correspondence Reference Number#46075

Dear Stanley,

Good day!

Thanks for your response, please see below blue words for the reply, thank you!

FYI: There are 27 test report exhibits for (DTS) and 23 test report exhibits for (UNII). This is far too many exhibits to open for review. This slows down the review process which is unfair to other applications. The exhibits should be combined into a SINGLE TEST REPORT EXHIBIT. Or split into no more than 4 test reports exhibits. In future filings, each description should be unique.

Any questions about the content of this correspondence should be directed to the email address listed below the name of the sender.

REPLY: Well noted, will take care in future. So sorry for the inconvenience caused!
