

B890-66s label:

**HUAWEI Model: B890 – 66s LTE Wireless Gateway**

FCC ID: QISB890  
Device Website.....<http://192.168.1.1>  
SSID.....B890 – BB61  
WIFI KEY.....857FE103

  I.T.E. 65JJ E210619 

MADE IN CHINA HUAWEI TECHNOLOGIES CO., LTD.

  
IMEI: 866053010017475  
  
MAC: ACE215A5BB61  
  
S/N: Z3K6RB92C1300258  
INPUT:12V  2A

Use the power adapter that is delivered with equipment.

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:  
(1) This device may not cause harmful interference, and  
(2) This device must accept any interference received, including interference that may cause undesired operation.

This Class B digital apparatus complies with Canadian ICES-003.
