To Whom It May Concern:

MET Laboratories, Inc. is requesting that documents be superseded on behalf of Huawei Technologies, Co., Ltd.; FCC ID: QISETS2252. The documents being superseded are the Test Report and all Test Report Appendixes, including Test Data Appendix A, Test Data Appendix B, Test Data Appendix C, Test Data Appendix D, Test Data Appendix E, Test Data Appendix F and Test Data Appendix G.

The reason for the superseding request is that for the market needed, Huawei Technologies changed the power supply from 12V to 5V. The product has not been marketed or sold in the United States.

If you have any questions regarding this application, please feel free to contact me.

Sincerely,

Jennifer Warnell
