WMC6300
Quick Start Installation Guide
(Windows 2000)

Step 1 – Installing the Software

1. The kit contains (1) WMC6300 Wireless Modem Card, (1) Antenna, and (1) Antenna Clip as shown in the photo to the right. The kit also contains the WMC6300 Software and Documentation CD, which include an on-line version of the product documentation and the mēa installation executables.

   Note: The *Quick Start Installation Guide* is intended for more experienced users. If you need additional information and instructions, please print out and review the *WMC6300 Wireless Modem Card User's Guide* before proceeding with the installation process.

2. Insert the WMC6300 Software and Documentation CD into the computer's CD-ROM drive. The mēa setup program will be displayed.

   Note: If the installation program does not start automatically, open the Windows **Start** menu, click on **Run**, and then type **d:setup.exe** (where **d** is the letter of the CD-ROM drive) and click the "**OK**" button.

3. Follow the directions onscreen through the remainder of the software installation process.

4. When the software installation is complete, click on the "**Finish**" button.

Step 2 – Installing the Antenna on a Laptop Computer

1. Locate the Antenna and insert the connector into the antenna port.
   Note: The connector will "snap" into place when fully inserted.

2. Locate the Antenna Clip and remove paper that protects the adhesive backing.

3. Attach the Antenna Clip to the back of the laptop computer display approximately 1/4 inch from the top corner of the display. Ensure that the location selected for the Antenna Clip will reach the WMC6300 with the provided cable length.

WARNING

The operational position of the Antenna must be greater than 20 cm from the human body and position the Antenna vertically so that it extends above the laptop when in use.

Use only the MeshNetworks supplied antenna. Use of another antenna is prohibited and violates FCC regulations.

This unit is not FCC certified for use in a PDA.

Always eject card when not in use.
